- **Discussed in depth the implications of the UKMLA on our students and collated the thoughts and feeling of the student body to be presented at Meetings with the GMC.**

HANDOVER AND BEYOND...

The change in the way we run senate has really improved the forum for discussion.

To build on this I will be handing over the plans to improved engagement in senate and the rep system, some of which were brought up by our current reps. Suggestions include have new and quicker ways to communicate, providing more opportunities to get involved in the wider academic community and closing the feedback-loop on changes brought through by senate.
